

## Before and After Care Programs

The concern of the SFB Administration, Faculty and Staff for its students and their families extends well beyond the 7:30 – 3:00 school day. In order to ease some of the burdens on families, SFB has implemented a variety of programs that go beyond the classroom. One of these programs is our Before and After School Care.

Our Before and After Care Program offers a safe and convenient solution for parents who need to be at work before doors open in the morning and after school hours. Students may arrive at 6:30 a.m. and stay until 6:00 p.m. This program is structured to give the children a choice of activities so that they enjoy the extra time spent away from home. The program is flexible for parents who need it on a part-time, full-time, or as-needed basis.

Monthly fees are due the month of the service. If you are registered with Smart Tuition, the BASC fees will be added to your monthly invoice. If you are not registered with Smart Tuition, the BASC fees will be invoiced and are due by the 10<sup>th</sup> of the month.
