For the 2016-2017 school year, we are using one application for all the Scholarships available through the Archdiocese as well as our parish. The link to complete the **free** application is www.ttef-stl.org. Although you may have never applied for any of these before, please read the following information and determine if you could save some tuition money by applying. There is a new option.

If you are already receiving any of these scholarships and are already in the system, you will receive an email from the Today and Tomorrow office providing you with a link to update your information. You do not have to complete this full application again. However, the timing is still very important. Update your information as soon as the forms are available (February 1).

If you need assistance in completing the form, please contact Jennifer Hill, 636-239-6701, x1511. Below is a description of each type of award:

Open application period is February 1 to February 29, 2016. The applications are processed on first come/first served basis, so it is important to submit this application as soon as possible. The amount of funds available for scholarships is limited. It is best to complete the online application on **February 1** ! The link to complete the application is www.ttef-stl.org .

Alive in Christ - Our parish is assessed a certain amount by the Archdiocese to be used for this scholarship. St. Francis Borgia has always paid in more assessments than we have received in scholarships. It also is awarded on a first come/first served basis and they do run out of money. Please make certain you go online and apply on or as soon after February 1st as possible.

Catholic Family Tuition Endowment Fund - The CFTA funds are available to Catholic families and Catholic students to attend Archdiocesan elementary schools and high schools. Preschool and Private Schools do not qualify.

Parish Employee Endowment Fund – The PEEF funds are available to active employees who have completed one year of service at a parish, and who will be employed during the year in which the award is granted. To qualify, the employee must work 1000 hours or more during the course of the year.

Parish Assistance Fund – This fund is financed by our parishioners and is available to families of the parish. Families applying for this scholarship must have completed the application and submitted it for the other scholarship funds prior to the parish reviewing the application.

You do NOT have to complete an application on FACTS for any award.
