

Dear future 5th, 6th, 7th, and 8th grade families.

The Athletic Association has begun to prepare for the next school year. In order to do this effectively and accurately we need to have as close to accurate count as possible of who will be coming out for sports next fall and winter. The numbers are used to help us know how many uniforms we will need and how many coaches we will need and most importantly how many teams we can fill. We also schedule all of Volleyball and Basketball games in April.

Please understand that we have combined teams 5/6th grade and 7/8th as we do not have enough to have a separate team for each grade.

As in the years past, there is a \$10 sign up fee. This \$10 fee is a non refundable-fee unless your child is cut from the team. This money is used to help cover expenses throughout the year. It's a \$10 fee regardless of how many sports your son/daughter is interested in playing and it is a per child fee.

We are asking all fees and forms to be turned in by April 3rd. This will give us time over the summer to make arrangements. Late commitments will result in an increase to a \$25 sign up fee. We are also always looking for parents who would be interested in becoming a part of the Athletic Association. If interested please provide your name and contact information below.

Please indicate below what sport(s) your child will be participating in the next school year.

Name of child _____ Grade for 18-19 _____

_____ Volleyball

_____ boys Basketball

_____ girls Basketball

_____ Cheerleading

_____ Track

_____ I am interested in being a member of the Athletic Association. (Please provide name and contact information) _____

Thank you for all you do for our school. **Again please turn in the \$10 fee per child and this form to school in an envelope marked Athletic Association by April 3rd.**
